BLANKET 510 WINTERGREEN™ FLOATING AIR FRESHENER

DESCRIPTION

Blanket 510 Wintergreen™ is an oil-based air freshener. As a result, it will not dilute in water, but rather will float on the surface acting as a “blanket” preventing malodors from escaping and providing continuous, long-lasting odor control.

Blanket 510 Wintergreen is a highly effective, long-lasting air freshener leaving the treated area with a clean, fresh wintergreen aroma. Blanket 510 Wintergreen is a concentrated blend of odor neutralizers and fragrance which eliminates unpleasant odors.
